

**Media Release Form for Use of Player Name and Image in
San Antonio Fusion Football Club Media**

The San Antonio Fusion Football Club (“Fusion”) requests that each parent or guardian consider signing and returning this media release, which indicates whether or not parents or guardians authorize Fusion or its officers or agents to publish their child’s name and image for team media purposes. Signing or not signing this form will have no effect on your child’s (the Player’s) status, playing time, practice time or position on the team; it will only affect what media Fusion may use to publish the accomplishments of the team or the individual players. Media may be in the form of a public newspaper, radio, television, the Fusion web site, or other public media.

If you wish to authorize Fusion to use or publish your Player’s (child’s) image, you **MUST SIGN BELOW**. By not signing and returning this form Fusion will assume you **DO NOT** grant Fusion permission to publish your Player’s name and image, and Fusion will refrain from publishing your Player’s name and image except where it may be otherwise acceptable or fair use such as with a team photographs.

Player Name: _____ (“Player”)

I (**authorize** **do not authorize**) Fusion to use or publish my child’s name and image in any media, including a recognizable image, still or video, or use of my child’s first name in connection with said image, in any media, a local newspaper, news broadcast, on the Fusion web site or on other public media. I hereby release and indemnify Fusion and Fusions’ officers and agents from any and all liability they may incur in the future or may have incurred in the past for any and all acts they may commit in the use or publication of my player’s name and image. I also stipulate that I am authorized to enter this release on behalf of Player and that Fusion is authorized to rely upon this release.

Parent Name: (Please Print) _____

Parent Signature: _____

Date: _____

Note: It is Fusion’s intent to only use first names in media used. In addition, it is Fusions intent that player names will not be associated with a specific player image on those web pages that are accessible to the general public. Player

names may be associated with specific images on password-protected web pages only.
